## Sunday Morning Hospitality 2.0

If you spend much time flipping through the pages of the Bible, it doesn't take long to come across a story where a stranger is welcomed, where a sick person is tended, where an outcast is given a place at the table. And food! Lots of food prepared and offered. Small amounts that miraculously multiply into so much more than enough.

The Bible is a library of hospitality. Hospitality. That beautiful word that we've allowed to become an industry in which people have to pay for what used to be provided for free in ancient times. Even not that long ago, travelers hopped off boxcars and searched for signs left by other travelers that told them if this was a safe town, or if they should head to another one. In this "hobo code" language, the number "18" meant, "I ate here"; and a table drawn on a stone wall meant you could get food there; and a stick-figure cat meant "Kind lady lives here," so if you behaved well you'd get the best meal you'd had for days.

Every monastery formed by **St. Benedict of Nursia** (480-547) was guided by a simple rule: *Welcome the guest as Christ*. It's the root meaning of *hospitality*, which comes from the Latin word *hospes* – which seems like it can mean both *guest* and *host*. That's what true hospitality is about. Each person gives and each receives. The Benedictines speak to us all when they say followers of Christ offer an open heart and a stance of availability, and we look for God lurking in every single person who comes through the door. We welcome them as Christ, and treat them like they have gifts to share which will bless us more than anything we can offer blesses them.

It's been a long time since we shared food and drink in the Narthex at Redeemer. One of the deep losses COVID has imposed on us has been preventing us from offering simple refreshments that say, "You are welcome here. Let us stay together for a while."

Council has decided to try going back to having refreshments on Sunday mornings. Starting on **Pentecost, June 5**, our Sunday morning time of hospitality returns after a worship service in which we will celebrate the rite of confirmation. The Education Team will provide cupcakes and hot and cold beverages. We will open the doors going out into the garden and parking lot to supplement the excellent air filter system we've had installed. You can feel free to go outside if you'd like. Or you can take some refreshments to go!

Unless public health officials suggest a return to indoor mask-wearing, we will try this out in June and see how you feel about it. Please let one of us on Council know how you're experiencing this.

We continue to encourage everyone to get vaccinated and boosted, and to follow public health protocols. **Please continue to wear masks when you step into the church building, walk around the church, and enter the sanctuary. Continue to observe our policies that all who sit on the north side of the sanctuary wear masks. Please leave the sanctuary masked, and keep your mask on as you get your refreshments.**

## The Redeemer Community

### RLC's Current Worship Protocol: *Love Your Neighbor*

- \* Masks are required coming into the building and in the Narthex. Folks wishing to continue wearing masks for worship are encouraged to sit in the pews on the north side of the Sanctuary; those who wish to remove their masks may sit on the south side of the Sanctuary.
- \* Those who wish may stand during the opening and closing hymns and the reading of the Gospel.
- \* During the passing of the peace, we suggest you wave or place your palms together under your chin in the "namaste" posture as a way to share the peace in a distanced way.
- \* Individual communion elements are available to pick up inside the Sanctuary door or folks can now choose to receive communion at the front of the church from masked servers distributing individual cups for the wine/grape juice.
- \* If you wish to use one of the first-floor bathrooms, please follow instructions in the bathroom about disinfecting it after your use. Only one person at a time in the restrooms.
- \* Please silence cellphones.

*We have missed those of you who have not yet returned to in-person worship. There are a whole variety of worship opportunities available. If you feel safe coming back into the sanctuary, your presence and spirit would be a true blessing to us.*

*We are not the same without you.*

### Volunteers Sought to Serve at Food Pantry on June 1

Redeemer next serves at the Lutheran Social Services Food Pantry (Frebis and Champion) on **Wednesday, June 1**. Because of summer vacations, at least one or two more people are needed this month.

Please sign up at church or notify **Kathy Zwanziger** if you can help.

### Registration Open for RLC Summer Basketball Camp

Registration is now open for Redeemer's summer basketball camps. Led by former NBA and ABA player **Coach Larry Jones**, they will begin **Monday, June 13**. A parent/camper orientation is set for this **Thursday, June 9** at 6 p.m. in the church. To register, call 614-237-1263.

Redeemer provides these camps for free to youth ages 8 to 14. The camps run six weeks, from 6:30 to 8 p.m. for either the Monday and Wednesday camp or the Tuesday and Thursday camp. They conclude on **Thursday, July 21**.

### Join RLC Members on Poor People's March June 18

On **Saturday, June 18**, people from across the country will gather for the Mass Poor People's and Low-Wage Workers' Assembly Moral March on Washington and to the Polls! Both **Pastor Dave** and **Larry Trover** are planning to go. Larry reports, "I have booked my trip on the bus from Columbus, and have been following the Poor People's Campaign (PPC) since I participated in their huge online event in 2020. You can find out more about the PPC at <https://www.poorpeoplescampaign.org/>

"The campaign is using a crowdsourcing charter bus service called [Rally.co](https://rally.co) where you can reserve a seat on a bus shared with your local PPC family. This link will take you directly to information and sign-up for the bus from Columbus: <https://rally.co/poor-peoples-assembly/from/columbusoh-oh> .

#### Some important things to remember:

- "A credit card is required for reserving your seat but won't be charged until the ride is confirmed closer to the date of June 18.
- "If you don't have a credit card or don't feel comfortable entering it on the website, contact [ohio@poorpeoplescampaign.org](mailto:ohio@poorpeoplescampaign.org), and they will help get you on the bus!
- "If you have any questions at all, please contact [ohio@poorpeoplescampaign.org](mailto:ohio@poorpeoplescampaign.org). They will do everything we can to make sure you can join in this historic event!

“All reservations need to be made by **Friday, June 10**; bus trips will be confirmed by **Saturday, June 11**.”

## **PRIDE Is Back**

The Columbus Pride Parade returns in person this year. The date is **Saturday, June 18**, at 10:30 a.m. The ELCA effort is being coordinated by **Pastor Jacqui Buschor** of the Church on Oakland Park.

The t-shirt color this year is blue, and the cost to register is \$18 with a t-shirt, or \$5 without a t-shirt. The deadline to register is **Wednesday, June 1**. This registration link allows us to register together or individually: <https://tinyurl.com/ELCApride2022>. **Please let Mary Benis know if you're planning to participate so that arrangements can be made to connect and/or to travel together.**

“The Pride Parade is always a good experience for the marchers. It's a wonderful opportunity to say out loud what our shirts proclaim: ‘This is Christ's church; there's a place for you here.’ So if you can spare the time and you're up for a slow walk, make plans to join with other Columbus Lutherans to celebrate both our diversity and our unity.”

## **Prayer Shawl Ministry Begins at Redeemer**

Whether they are called prayer shawls, comfort shawls, peace shawls or mantles, shawls have been made for centuries. They are universal and embracing, providing comfort as they enfold, wrap and warm, shelter and hug. It is a ministry that blesses both those who knit or crochet the shawls and those who receive them.

**Eileen Day** received a prayer shawl before her surgery in March and is encouraging those who knit/crochet to join her in this new ministry. We will gather the completed shawls in multiple sizes to share with those in need.

The only difference between a prayer shawl and any other shawl is in the process of making it. When making a prayer shawl, the crafter is very intentional about infusing the piece with prayer. If you are interested in joining this new ministry, please contact Eileen or **Kathy Mimplitch**.

## **May Council Updates**

The following are updates from the May RLC Church Council meeting:

- African International Lutheran Church is a 14-year-old congregation in the Southeastern Ohio Synod seeking new worship space. They are currently worshipping at First English. The Executive Committee met with **Pastors Alexander Sumo** and **Varney Yarkpazuo** to tour the building and discuss the logistics.
- Property Team has been very busy repairing windows, doors and preparing the Fellowship Hall for use again. The Internet is now available in the basement and duct cleaning will be completed soon. The swings have returned to the playground and basketball camp is right around the corner.
- In worship, Redeemer returned to hybrid communion with individual cups in pews or coming forward for bread and wine. The Rite of Confirmation will be celebrated on **Sunday, June 5**.

## ***Thinking on the Edge***

**Don Luck** is leading a series in the Adult Education Class that focuses on traditional themes in Christian self-understanding that have been making him uncomfortable for some time. He is sharing how and why he's been “fussing” with them and invites you to enter his internal conversation. On **Sunday, May 29**, Don examines the idea of reunion with deceased loved ones. Untold numbers of people expressing unending joy and celebration. Eternal rest. These are some of the popular imagining – and outright expectations – of many. Don is troubled by them all. He invites you to join a conversation about **What Lies Beyond Death?** at 11:15 a.m. in Classroom 2.

For the next and final week on **Sunday, June 5**, the class will examine “**What Does It Mean To Be the ‘Church?’**”

The class begins in-person after worship service at 11:15 a.m. in Room 2 in Redeemer's education wing. It is also available on Zoom. Click this link to join via Zoom: <https://us02web.zoom.us/j/81411790303?pwd=cGNGMHo2K2d1WEIzUHRHekRQWUo2dz09>; Meeting ID: 814 1179 0303; Passcode: 645662; Phone only: 312-626-6799. The discussion will certainly be thought-provoking and there is always room for more voices!!

## **Tuesday Bible Study on Hiatus May 24**

The Tuesday Bible Study is on hiatus on **Tuesday, May 24** while Pastor Dave is on vacation. It will resume its discussion of encounters Jesus had with women in the Gospels on **Tuesday, May 31**.

## **Noisy Offering Now Going to 'ReconcilingWorks'**

For now through the Easter season, Redeemer's "Noisy Offering" – that is, the offering of loose or "noisy" change given each Sunday when entering the Sanctuary – will now go to ReconcilingWorks. This is in celebration of Redeemer's 30th Anniversary as a Reconciling in Christ congregation.

Since 1974, "ReconcilingWorks: Lutherans for Full Participation" has advocated for the full welcome, inclusion, and equity of lesbian, gay, bisexual, transgender, queer, intersex and asexual/aromantic (LGBTQIA+) Lutherans in all aspects of the life of their church, congregations, and community.

"In relationships built through outreach and education, ReconcilingWorks shares Christ's message, the Gospel, which is for everyone equally. The group advocates for systemic change in policy and practice in church and society, working to alleviate not only the painful symptoms of oppression but also to eliminate its root causes.

"We are Lutherans working with the recognition that racism, sexism, ageism, able-ism, heterosexism, homophobia, and all the other artificial distinctions that seek to raise one group into privilege and preference over another, conspire together to diminish our world and church.

"An independent, Lutheran, membership-supported organization, ReconcilingWorks is committed to strengthen all of God's beloved for authentic, visible, faithful lives and to work for systemic change with the church and society." For more information check out their website at [www.ReconcilingWorks.org](http://www.ReconcilingWorks.org).

## **Sunday Morning Hospitality 2.0** *cont'd from p. 1*

We have ministry teams signed up for hospitality on **June 5** and **June 12**. If your team, or a group of your friends would like to host a week, please sign up for a Sunday in the hallway outside the library.

This will take a bit of time to get used to. And I believe the growing pains are more than worth it. Re-creating this ministry reminds me of a conversation between **Noah** and his grandpa in **Frederik Backman's** novel, *Every Day the Way Home Gets Longer*. Noah begins:

We have to write essays all the time!

The teacher wanted us to write what we thought the meaning of life was once.

What did you write?

Company.

Grandpa closes his eyes. That's the best answer I've heard.

My teacher said I had to write a longer answer.

So what did you do?

I wrote: Company. And ice cream.

Grandpa spends a moment or two thinking that over. Then he asks: what kind of ice cream?

Noah smiles. It's nice to be understood.

## The Wider Church

### LSS Names Interim CEO

Lutheran Social Services (LSS) announced that **Rev. Larry A. Crowell** is now serving as interim CEO, having started **Thursday, May 19**. "He will lead the organization while the LSS Board of Directors conducts an extensive nationwide search for the next president and CEO after the recent departure of **Stacy Martin**. We are fortunate in that Larry served as president and CEO of LSS for a decade and just recently retired from LSS in May 2021. He has graciously agreed to return during this period. Larry is a great leader and will provide the right guidance and support as we look for the next CEO," said **Benjamin Powers**, congregational relations manager.

"Please know, LSS is in good hands, and we will continue to provide the vital services we do each and every day. I want to thank you for your dedication to LSS and ask for your continued support during this time," he added.

"We look forward to the future and continuing upon our 110-year history of creating a better world by serving people in need."

### Bishop Eaton Addresses Buffalo Shootings

*"Is there no balm in Gilead? Is there no physician there? Why then has the health of my poor people not been restored?" Jeremiah 8:22*

**ELCA Bishop Elizabeth Eaton** issued the following statement on the recent shootings in Buffalo, NY: "Our hearts grieve for those who have been killed and our souls cry out against more lives lost to the hatred birthed by racism. As we mourn those lives lost as a result of the racially motivated killings in Buffalo, we ask God to ease the continued suffering and trauma of our Black siblings throughout the nation and in our church. We are one body in Christ, so when one part suffers, we all suffer.

"We of the ELCA acknowledge our complicity in the ongoing cycle of violence that grows out of white supremacy. 'Through colonization and slavery, the United States of America helped to create and embrace a system of valuing and devaluing people based on skin color and ethnic identity,' the National Council of Churches declared in 2020. 'The name for this system is white supremacy.' As a predominantly white church, we benefit from this system, and we must double our efforts to dismantle it.

"In 2019 the ELCA Churchwide Assembly adopted the social policy resolution "[Condemnation of White Supremacy and Racist Rhetoric](#)." Through this action we committed to pushing back and speaking out against racist ideas that divide God's children and perpetuate white supremacy in our church and society. At the Heidelberg Disputation of 1518, **Martin Luther** reminded us that 'a theology of glory calls evil good and good evil. A theology of the cross *calls the thing what it actually is*.' Calling a thing what it actually is can be a first step toward healing the wounds of God's people, but not the last. We must take real and lasting action now -- through education, relationship-building with Historic Black Churches, ongoing anti-racism education, advocacy, and self-reflection. Churches have a foundational role in eradicating racism and white supremacy in society.

“The ELCA’s European Descent Lutheran Association for Racial Justice (a network of White leaders committed to anti-racism in our church) calls upon all ELCA members, especially White congregations and leaders, to join their communities and other congregations in prayer, study and actions utilizing many churchwide and ecumenical resources. The association will host a drop-in Zoom call on **Tuesday, May 24**, at 7:30 p.m. Eastern time. Advance registration is required at [bit.ly/DropInGathering](https://bit.ly/DropInGathering).”

## **ELCA Bishops Urge Congress to Support Funds for Augusta Victoria Hospital**

In a May 18 letter, bishops of the Evangelical Lutheran Church in America (ELCA) urged congressional leaders to support the transfer of much-needed funds to the U.S. Agency for International Development (USAID) to cover debt owed to Augusta Victoria Hospital (AVH) in East Jerusalem.

AVH is owned and operated by the Lutheran World Federation (LWF) and supported by the ELCA and several other member churches of the LWF. Located on the Mount of Olives in Jerusalem, the hospital provides lifesaving health care to Palestinians in the West Bank and Gaza. The hospital’s cash flow problems stem from the inability of the Palestinian Authority (PA) to make regular payments on the fees for cancer patients it refers to the hospital.

“AVH is the first and only hospital to provide radiation therapy for cancer patients in the Palestinian territories and the only medical facility in the West Bank offering pediatric kidney dialysis,” the letter states. “On a daily basis, these and other specialty services touch countless lives, both young and old, from communities across the Palestinian territories. . . .

“Please support the transfer of \$120 million to the USAID to meet the urgent humanitarian needs of the Palestinian people in 2022. These allocations are needed to cover the PA’s debt to AVH and the other East Jerusalem hospitals,” the letter continues.

“From the Holy Land, our Lutheran Palestinian siblings are crying out, asking us to step into the breach and renew funds to Augusta Victoria Hospital,” said Rev. Laurie Larson Caesar, bishop of the ELCA Oregon Synod. “Due to no fault of their own, the situation has become an urgent humanitarian crisis. Let’s not close our ears and eyes. We are proud of the crucial role this Lutheran medical center has played in the West Bank, but when funds are threatened, so are the lives of refugees, children, elders and more.” Caesar is chair of the ELCA Conference of Bishops Middle East Ready Bench.
