Coming Up at Redeemer

Sister Act Sets Summer Retreat for June 6

Sister Act will be holding its annual Summer Retreat on Saturday, June 6 at 11 a.m. Join us at **Sue Yehling's** house for a relaxing day of fellowship. We will enjoy devotions, discussions, creativity stations, and conversation. Please bring some food to share for the potluck lunch as well as your own beverage. It is also helpful to bring your own lawn chair although there will be extra chairs available.

Some parking is available in Sue's large driveway as well as in the parking lot of The City Church of Reynoldsburg across the street.

Contact **Michele Disbro** if you have any questions. Hope you can join us!

Summer Book Group to Read, Discuss 'Separation of Church/Hate'

Redeemer's summer reading will be *The Separation of Church and Hate: A Sane Person's Guide to Taking Back the Bible from Fundamentalists, Fascists and Flock-Fleeing Frauds* by **John Fugelsang**. **Pastor Elizabeth** writes, "The book provides practical guidance for engaging in conversations with family, friends, or coworkers who use religion to justify harmful beliefs. Fugelsang combines humor, biblical knowledge, and political insight to reveal inconsistencies in fundamentalist arguments and to encourage debates grounded in compassion and reason."

This was one of the books that was highlighted during the recent Adult Forum "Beach Reads" segment. (See story, May 25 *Reflections*.)

Anyone wishing to discuss the book is welcome to gather here at the church at 7 p.m. on Wednesdays, June 24-July 22. More details to follow!

Save the Date: Columbus Pride Parade Saturday, June 20

This year's Columbus Pride parade will take place on Saturday, June 20. The ELCA marchers will again be meeting ahead of the march at Trinity Lutheran Church downtown. Registration details will be shared in early June, but questions should be directed to **Mary Benis**. "This is such a meaningful way to show our support for the LGBTQIA+ community – please plan to take part!"

Registration Open Summer Basketball Camp

Plans are now getting underway for Redeemer to again sponsor the summer Basketball Skill Building Camp. It will run – rain or shine – from 6:30 p.m. to 8 p.m. Mondays-Thursdays, June 15 - July 22. Following the death of founding coach **Larry Jones**, **Thomas Mitchell** becomes primary coach, assisted by **Andre Mitchell**, assistant coach, and **Stan Harris**, camp director.

The camp is for both girls and boys, ages 8 to 14. The information meeting is set for Thursday, June 11 at 6 p.m. here at the church.

One or two additional adult volunteers, male or female, are needed from Redeemer to support the coaches and help with supervision of the youth. (Yes, both girls and boys participate in this program!) You may volunteer for all or for part of the sessions. Please see **Mike Benis** or **Larry Trover** if you may be interested.

From Laura Warren: Update on RLC Special Funds

I am the Treasurer of the Special Funds Team (SFT) at RLC. The SFT provides the congregation with the following update on RLC Special Funds as of the close of 2025. We provide this update annually.

RLC has four funds that the SFT is chartered to monitor. The monies in the first three funds are placed with the Columbus Foundation and invested with their advice and consultation under Redeemer's direction. In no particular fund order, here is a brief overview, the end of 2025 status, and any notes on 2025 changes to the funds.

Mary Kohler Ministry Fund

Highlights

- An unrestricted bequest from Mary Kohler, a teacher and RLC member, and a gift from an anonymous donor established the fund.
- Principal and earnings may be distributed.
- Applications for educational purposes and for new or existing RLC neighborhood ministries, receive priority, honoring the donor's intent.
- Members may recommend uses of this fund to the SFT at any time.

Notes: A one-time contribution of \$7,000 was received in Q3. Disbursements for 2025 were \$300 for youth attending HopeWood Pines and \$5,000 to the Immigration Fund.

RLC Church Building and Equipment Fund

Highlights

- To fund the capital expenditure needs that exceed the congregation's annual budget.

Notes: Contributions were from a \$6,052.42 memorial gift specified to this fund and movement of \$22,000 from the RLC checking account to this fund as directed by Congregational Council. There were no disbursements in 2025.

Mission Endowment Fund

Highlights

- To provide for mission work beyond the operating budget of RLC.
- A donor restricted fund, with principal invested in perpetuity and earnings reinvested, with a percentage of earnings distributed annually, or as desirable, to accomplish its purpose, further defined to:
 - o Establish and support ministries of outreach within or on behalf of the congregation.
 - o Further partnerships in mission through the synodical, regional and national expressions of the Evangelical Lutheran Church in America.
 - o To support capital improvements, debt retirement or a building program of RLC when circumstances warrant.

Those wishing to include RLC in their estate planning as an endowment, please specify the Mission Endowment Fund

Notes: No contributions were made in 2025. Disbursements totaling \$6,454.55 were distributed to the five selected recipients that were nominated by RLC members, reviewed by the Special Funds Team, approved by Council (one dissenting vote), and recently distributed from the Columbus Foundation.

Memorial Gifts Fund

Memorial gifts are recorded and attributed to the person being memorialized.

- After six months, the total amount contributed in memory is reported to that family.
- Following consultation with the family, the SFT recommends to the Congregation Council a use for the funds.
- The recording of that Memorial is concluded upon expenditure of those funds.
- Because of the purpose of this fund, the monies shall remain liquid and not be considered for long-term investment.

I hope this information is of value. If you have any questions, please feel free to reach out to any member of the SFT – **Wendy Stoica, Hitoshi Phillips, Don Crosely, Terry Warren, Laura Warren or John Kennedy.**

From Outreach Team: Signboard Survey Update

A few months ago, 22 of us completed a survey about the Redeemer signboard. The results were pretty emphatic:

- 100 percent said our ability to post general messages to the community was very or somewhat important.
- 100 percent said it was very or somewhat important that those messages be timely.
- 72 percent said it was very or somewhat important to maintain the current look of the signboard.

Most of the comments supported going digital but certainly not all.

To understand why this topic continues to resurface periodically, it's important to know the limitations of the current signboard. First of all, there are just three lines of space available for the 4" letters, so the message needs to be brief. In addition, we're limited by the available letters (some of which have already been created or modified with black tape). But even more significant, we're dependent on the availability of a volunteer to manually change out the letters when a new message needs to go up. And weather conditions can make that task unpleasant and/or challenging. Through the years, the number of willing sign changers has been small, with just one able volunteer and one potential backup responding positively to the recent survey.

With the information gathered from the survey, the Outreach Team set about exploring digital possibilities, to see what was available and for what price. Very quickly we learned that a digital upgrade to our existing sign would be both expensive and complicated. We were hearing rough estimates like \$50,000-\$60,000 and soon learned that we'd also need a variance since the Redeemer area is zoned residential.

The exploration process itself has also been complicated. Numerous contacts have ended up as dead ends (i.e., no follow through from the companies), even though several company representatives did come out to take measurements. Two weeks ago we finally received one solid estimate of \$42,375, but we're still waiting to see a sample of the proposed resolution.

We've also learned more about the needed variance. The cost would be \$2,500, and approval is not guaranteed. The request goes first to the Mideast Area Commission, and they then send their recommendation to the zoning commission. We think numerous factors would support our request: the current sign is already lighted; we would be using only an equivalent space for changeable messages; and the community has expressed repeated appreciation for our messages over the years.

That's what the Outreach Team knows at this point. We'll be continuing to explore the options and confirming the details, but it's very possible we'll be proposing an electronic upgrade in the not-too-distant future, which would likely entail a multi-year effort to secure the financing. In the meantime we remain completely open to questions, comments, and suggestions -- prayers, too! All input is welcome and encouraged.

From Kristi Hildebrand: Nehemiah Action Highlights

A total of 44 attended for the Redeemer network. *Thank you to everyone who came!*

Nehemiah reminder: When a city is in rubble, people rebuild it shoulder to shoulder. You showed up. You are the rebuilders.

Interfaith call to action:

- Pray with your hands.
- Pray with your feet.
- Pray with your eyes open.

Issue 5: A Major Win for Crisis Response (Passed May 5!) On May 5, Columbus voters approved Issue 5, a landmark step toward a safer, more compassionate crisis-response system.

Issue 5 strengthens civilian oversight of how crisis calls are handled — ensuring transparency, accountability, and community voice. The goal: when someone is in a behavioral-health crisis, they receive care, not escalation.

Major Win: Rental Registry was passed by Columbus City Council. Because of BREAD's stories, research, and people power:

- Every landlord must register every rental unit.
- Real owner + local emergency contact must be named.
- Proactive inspections every three years.
- Worst offenders placed under conditional registration.
- Tenants and agencies now know who is responsible and who to hold accountable.

“A city leader put it plainly: If you want to do business in Columbus, you must provide safe, healthy housing.”

New Campaign: Livable Wage Pathways for Young Adults. The problem:

- A single adult needs \$18–\$20/hour to live in Franklin County.
- A single parent needs \$33–\$36/hour.
- 44 percent of working households don't earn a livable wage.
- Columbus ranks near the bottom for economic mobility.

The solution: Career Academies in Columbus City Schools — expanding from four to 10 high schools by 2029.

- Freshman seminar introduces real career pathways.
- Students gain soft skills, financial literacy, and workplace readiness.
- Internships + industry-aligned training.
- Early exposure = real access to livable-wage careers.
- Career Academies have a 95.9 percent graduation rate vs 78.3 percent graduation rate in Columbus City Schools overall.

The Thread Through It All

- Justice is sacred work.
- Progress comes from persistence.
- And together, we are building a Columbus where everyone can thrive.

Tuesday Bible Study Continues

Redeemer's Tuesday Bible Study continues on **Tuesdays**, both in-person and online beginning at 1 p.m. Join **Pastor Elizabeth** as she leads the group's discussion.

Treats are solicited if anyone is so inclined.

For Zoom link, see separate “Zoom Links” story this issue.

Check It Out: Narthex Art Reflects Theme of Joy!

The Narthex art exhibit which is up through the Easter season reflects the theme of *Joy!* Many wonderful pieces are on loan from members depicting their vision of “joy.” There are even a couple of pieces from Redeemer's own collection as well as an original creation by Redeemer's youth led by **Krista Skipper**.

Noisy Offering to Go to Columbus Diaper Bank

Contributions through Redeemer's Noisy Offering will now be going to the Columbus Diaper Bank. **Kay Ernsthansen** reports, “The Columbus Diaper Bank does not distribute diapers directly to individuals. Diapers are distributed through a network of service organizations. By working with organizations that are established in the community it allows the Columbus Diaper Bank to contribute a resource to our partners, increasing their services to the community. It also allows us to be efficient and to utilize the organization's expertise to distribute to families and babies in need.”

Partners include Columbus Public Health, Celebrate One, Little Bottoms Free Store, Homeless Families Foundation, Huckleberry House, Lower Lights Christian Health Center, Lutheran Social Services Choices for

Victims of Domestic Violence, Food Pantries: Broad Street Food Pantry, NNEMAP Food Pantry, Vineyard Columbus Northside Food Pantry, Worthington Resource Pantry, Bishop Griffin Center, GRIN Food Pantry, Baptist For Life of Central Ohio and Gladden Food Pantry,

The diaper bank highlights the following “diaper realities”:

- A baby needs eight-10 diapers a day. That’s about 3,650 diapers a year.
- Diapers cost between \$100-\$150 a month.
- Most laundromats and day care centers do not except cloth diapers.

Kay notes that several of the organizations listed Redeemer has supported either thru volunteer hours or other designated “Noisy Offerings.”

“This is just another organization we can support – that turns around and helps the community.”

Volunteers Sought for Variety of Opportunities Slots Open to Sponsor Flowers for Worship

There are two slots open to sponsor the Sunday flowers moving through Summer. This is an opportunity to remember a loved one, honor someone, acknowledge a special event. Dates open include **Sundays July 19** and **Aug. 9**.

Remembrance Garden Guidelines Posted

The following guidelines have been posted regarding Redeemer’s Remembrance Garden: The garden is intended to be a place for reflection, remembering and celebrating those who have gone before. Just as the congregation welcomes all, so, too, the garden is open to all.

Anyone wishing to scatter or bury the cremains of a beloved person or pet simply needs to speak with the pastor, who will facilitate the process to best suit the individual’s preferences and desires. The pastor can be contacted through the church office at 614-237-1263 or info@redeemerluth.com.

Council Clarifies Policy on Payments to Individuals

The Redeemer Congregation Council has adopted a policy of not disbursing funds directly to individuals with the exception of funds requested by individuals for reimbursement of church related expenses and funds requested in payment for personal services. This was prompted because council has received requests from some members about

designating contributions from a particular donor to the Immigration Support Fund or other funds of the church designated to benefit a particular individual. They refer folks to the following article for more information [HERE](#).

“If you need additional information about this matter, consult your tax preparer.”
